PUBLIC NOTICE

**EXTENSION OF NAMLITS AND STOCKBRAND AWARENESS CAMPAIGN TO
THE 01ST DECEMBER 2023**

The Ministry of Agriculture, Water and Land Reform (MAWLR), through the Directorate of Veterinary Services in collaboration with the Meat Board of Namibia has been carrying out an awareness campaign for stock brands and Namibia Livestock Identification and Traceability System (NamLITS) since the **17th of July 2023 until 31st of October 2023.**

The campaign has been very successful in updating livestock keeper information on the NAMLITS database as well as stock brand. However, we realised that this week, a number of livestock farmers has been overcrowding the State Veterinary Offices countrywide and Meat Board office to update stock brands and thus warrant the extension of the campaign to the 01st December 2023.

The following documentation are mandatory to update the stock brand and livestock keeper information as:

- Complete prescribed form available at all point of verification and updates.
- Certified copy of Identification Document (ID)
- Certified Copy of Stock Brand Card or Stock Brand Certificate

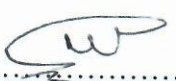

We would like to take this opportunity to extend our sincere appreciation to all the stakeholders for their active participation and cooperation during the last four months of the awareness campaign and we urge the remaining livestock farmers to maximize on the extended opportunity. All State Veterinary Offices in the country and the Meat Board office in Windhoek will be able to assist you accordingly.
